Mr. McWilliams:

I received one copy today of the draft Remedial Investigation/Feasibility Study Work Plan from Mr. Peter Gelman of Parsons. Based on the cover letter, apart from Mr. Nash you were the only other person who received a duplicate copy of this report. For future reference all submittals sent to U. S. EPA should be sent in triplicate as stated in the Section XV, Paragraph 89(a) of the AOC. Therefore, I am requesting that three additional copies be sent via overnight express to arrive before close of business Monday, March 4, 2002. Please send two copies to my attention at the U. S. EPA, and one copy sent Ohio EPA as stated in the Statement of Work. The Ohio EPA copy should be sent to:

Mr. Larry Antonelli
Ohio EPA, Division of Emergency and Remedial Response
Northeast District Office,
2110 East Aurora Road
Twinsburg, Ohio 44087
(330)963-1127

If you have any questions or need additional information please do not hesitate to ask. I look forward to meeting with you on Wednesday, March 6, 2002.

Sincerely,

Gwendolyn Massenburg
Remedial Project Manager
